

# Introducing AdherePack™ by AdhereRx

– A Free Benefit for Our Valued Customers!

**With AdherePack™, you can manage multiple medications in one convenient, easy-to-use package – delivered right to your door.**

- 96% of patients take their medications as directed when they use customized medication packaging, and research shows that people who take all their medication on time have fewer trips to the hospital and emergency room.<sup>1</sup>
- Each package clearly tells you what to take and when to take it so it's easy to follow your routine.
- AdhereRx never charges additional fees. All you pay is your insurance co-pay.

## AdherePack™ is right for you if:

- You take 8+ prescription medications.
- You suffer from multiple conditions or chronic illnesses.
- Your medications change all the time, and it's hard to keep up.
- You find it hard to take your meds as prescribed due to transportation, mobility or other problems.
- You rely on others to help you refill, pick up and take your medications.
- You make frequent trips to the ER or hospital due to your health issues.

# What Makes AdhereRx™ Different

## Pharmacists Who Care

A member of the friendly AdhereRx pharmacy team checks in with you every month to review your medications and go over any changes or issues. You'll always be in the loop so you can feel confident about the medications you take.

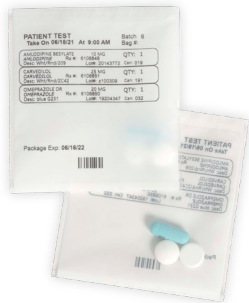

## Straight to Your Door Private Courier

All your pills are packed in easy-to-understand blister or strip packs and shipped right to your door by monthly private courier. (Don't worry - delivery is contact-free.)

## Easy Refill Coordination

AdhereRx pharmacists work directly with your entire care team to refill your prescriptions from one place at the same time each month. Any concerns you have are brought to their attention, keeping everyone in the know.

## Around the Clock Support

AdhereRx pharmacists are on-call 24/7 and ready to answer your questions. Call 855.280.3559 or visit [AdhereRx.com/Patients](https://www.adhererx.com/patients) to learn more.
